Career Objective: I am a highly motivated computer science student with a passion for web development. With 2-star proficiency at CodeChef, I have a proven track record of success in coding competitions. My extensive experience with web technologies and algorithms, as demonstrated by my strong performance on Leetcode and GFG, makes me a valuable asset to any team. I am eager to leverage my skills and continue learning in order to make a meaningful impact in the industry.

Education Qualification:

Course	Institution	Board/University	Year of Passing	% of Marks
B.Tech (IT)	Budge Budge Institute Of Technology	MAKAUT	2024	
Class XII	Barisha High School	WBCHSE	2020	73.4
Class X	Barisha High School	WBBSE	2018	75.4

Projects :

- **Project Name** : Web-based note-taking application
- **Duration :** 1.5month
- **Role :** Student(Personal Project)
- **Project Details :** The project I built is a web-based note-taking application that lets users create, edit, and save notes using **HTML, CSS, and JavaScript , Bootstrap**. It has a clean and user-friendly interface that enables users to organize their notes with titles and tags. The application stores notes in the browser's local storage, making it accessible even after closing the app. It's responsive and can be used on different devices. Overall, it's a practical and useful tool for staying organized and productive.

- **Technology Used :** HTML5, CSS3, Bootstrap, Javascript .
- **Tools :** 000webhost, Visual Studio Code**.**   **| Source Code**

Technical Skills :

Languages : C, C++, HTML5, CSS, JavaScript ,Java(basics),SQL.
Frameworks : React.js, Bootstrap.
Database : MySQL
Main Coursework: Data Structure and Algorithm(DSA), Database Management System (DBMS), Operating System (OS) .

Achievements:

- **Codechef** max rating -1466 Profile-Link
- 100+ solved problems on **leetcode** Profile-link
- Completed webinar on ethical hacking and learn about authorized testing of systems to identify and fix vulnerabilities to improve overall security.   Link

Interests: problem solving , Playing Football .
